

2008 Annual Report

The mission of Angels for Hope is to help people send a message of hope and caring by providing them a symbol and the means to deliver it. By offering our crocheted angels, butterflies and smiley faces free of charge, anyone can touch the life of someone in need of hope.

Angels for Hope is a nonprofit, free online organization wishing to touch the lives of all who are in need of hope.

In 2008 Angels for Hope had continued growth. We had set our goal to send out 70,000 items in 08.

We reached our goal!

Volunteers in all 50 states and 4 countries mailed 70,062 items which was a 2% growth from 2007.

We continued with our fallen soldier program and are still trying to reach each family who has lost a loved one in the Iraq war. The military included our website in one of their newsletters which is helping us reach families.

Our 100th birthday butterfly club allows us to help anyone turning 100 celebrate their milestone!

Many do not know about Angels for Hope. Please help us spread the word!

Thank You,

Cindy Gabner
President

Who can request and who can receive?

Angels, butterflies and smiley faces are sent to anyone in need of hope. Our Angels cannot cure a disease but we can let someone in need know they are not alone. Many times the smallest gesture will bring the largest results.

To request an angel, butterfly or smiley face you need only visit us www.angelsforhop.org and click on the "angel request" button. If you do not have internet access you can mail a request to

"Every Angel says a prayer, incomplete, until her angel reaches someone."

AFH did reach out and touch many lives this past year, and the praise goes to those who stayed with us, crocheted, prayed and faithfully sent, so glad I am a part of this wonderful group.
